BY TRACY ENGELBRECHT

**The girl who
couldn't say no**

THE MEMOIR OF A TEENAGE MOM

**(R133
OSHUN)**

Meet Tracy Engelbrecht. She's a good girl, gets good marks and is generally polite.

She's also 14 and pregnant. This true story tells how Tracy dealt with being a very, very young mom, and how she ended up having another baby as a single mother. A very funny and touching story about a young woman who has made a success of her life against the odds.
